FROM

P. SAMPAT IYENGAR, Esq., M.A.,
Director, Mysore Geological Department.

No. 9 Mines UR 24/7

GEN. & REV. DEPTS. 134 24 JULY 1928 DEVELOPMENT BRANCH

To

N. Rama Rao, Esquire, B.A.,B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore,
Development Departments.

SIR,

In pursuance of Article 596 A of the Mysore Service Regulations, I have the honour to submit for the orders of Government my claims for mileage for road marches exceeding 50 miles a day between the 24th & 29th of last month - June 1928. The particulars of the journeys made are given below with the mileages travelled:-

24th June 1928.		Bangalore to Tiptur and on to Bairapur - by Motor. 103 miles.
25th	"	Halt at Bairapur.
26th	"	Bairapur to 9th mile on Tiptur Channarayapatna Road Via, Navale onto Jambur near Nuggihalli, Chennarayapatna, Krishnarajpet to Mysore. 73 miles.
27th	"	Mysore to Tallur via Shinduvalli and back. 27 miles.
28th	"	Mysore to 69th mile on Bangalore Road, thence to Hulikere tunnel works and back to 69th mile and onto Sommanhalli.T.B. 57 miles.
29th	"	Somanhalli T.B. to 43rd mile on Bangalore Road, thence N to Shibenhalli & back to Somanhalli Somanhalli T.B. to Bangalore City by Motor. 60 miles.

The purpose of the journey was to inspect the Byrapur Chrome Mine near Tiptur, the Jambur Chrome Mine near Nuggihalli and the Tallur Chrome Mine near Mysore, the Hulikere tunnel(for giving opinion in regard to the rock foundations), the corundum occurrences near Maddur and to come back to Bangalore in time to attend the Board of Industries & Commerce Meeting on the 30th June 1928. It may also be stated that my presence in the

head quarters was necessary before the 2nd July on which date the College opened after the long summer recess. In these circumstances I request sanction of Government for all the journeys of over 50 miles performed.

2. I would like to take this opportunity to solicit Government to kindly grant me exemption from the operation of this Article No. 596-A, inasmuch as my dual duties as Director in the Department, and Professor in the College do not admit of my going on inspection tour leisurely by rail and road. Long diurnal motor trips will necessarily have to be done, as the Departmental prospecting areas and Prospecting Licenses & Mining Leases areas are situated in several distant parts of the State far apart from one another. Otherwise it will inconvenience the work in the College. A general exemption is prayed for, as it will be inconvenient to solicit the orders of Government every time when such long journeys are made. I would like to assure Government that the exemption, if granted, will be used most sparingly and only under emergencies.

I have the honour to be,
Sir,
Your most obedient servant,

M. Sampat Kumar

Director,
Mysore Geological Department.
